Governor Tritle today received from Felix G Hurdwicke, of Phoe nix, an application for the reward of \$500 offered by the last legislature for the successful cultivation of coton in this Territory. The applicaion sets out that Mr. Hurdwick raised, by means of irrigation, during the season of 1883, from five cres of hand 3.390 pounds of cotton he seed of which had been planted in rows four feet apart. A sample of the cotton acc impanies the apply eation. It is unginned and of a very tine fibre, and equal in quality to the famous product of the Sea Islands off the Carolina coast. He will doubtless get the reward offered, and an effort will be made to ob ain the cotton for exhibition at the New cember next - Miner.
